# NOTES ~ QUESTIONS ~ IDEAS

The **City Advisory Committee** is a structured way for individual citizens to share their opinions and perspectives, study issues, and develop recommendations in a focused, small group structure.

The primary purpose of this Advisory Committee is to provide judicious advice and recommendations, from a citizen's perspective to the Mayor and Council which is the Unified Government's elected policy-making body.

The Advisory Committee activities may include study of critical issues, hearing public testimony, independent research, and review of staff reports - all of which are intended to enable the committee to discuss, formulate, and forward well developed, thoughtful advice and recommendations to the Mayor and Council in a timely manner.

**Chairperson Councilwoman Diane Howard**
