Lunch & Share – Lithonia History

DECATUR - Get ready - the DeKalb History Center is coming to Lithonia! The DHC collects history and would like to add yours to the collection. They are seeking photographs from all time periods, as well as documents, scrapbooks, and family letters. The DHC archivist will have a scanner on hand, so that your photos can be copied on the spot. They are also looking for Lithonians to interview so your personal stories can be recorded. These would be done later at a time that works for you. The DeKalb History Center has conducted 30 of these interviews so far with your neighbors and friends.

Please come meet the staff while you learn more about the DeKalb History Center and their work. Bring the materials you feel comfortable sharing and enjoy a little lunch. Your history is incredibly important. It will help future generations understand the past, learn from mistakes, and shape a better future.
