HISTORIC BRUCE STREET SCHOOL

We are approaching the completion of the Conceptual Design for the Historic Bruce Street School. Our final community engagement event was Saturday, May 7th, and we received great feedback from those in attendance. If you were unable to attend, we are still very interested to hear your thoughts on the work that was shared.

We will be working to incorporate feedback into a final Conceptual Design scheme, which we will share on Sunday, Juneteenth at the Historic Bruce Street School.

Please stay tuned for event details! We look forward to reviewing the responses and hope to see you on June 19th.
