Lithonia Historic Preservation Commission Volunteers Needed

Lithonia is a community that is rich in history. The City came into being because it was a crossroads between Lawrenceville and Macon, and Decatur and Milledgeville. IN 1856 the City of Lithonia was chartered. Approximately 250 people lived in the area at the time.

In 2016, the City of Lithonia was listed on the National Register of Historic Places due to a lot of hard work by many individuals, the unique homes and businesses in the city, as well as the unique gneiss granite which is locally quarried. This designation means we are a very special place.

In 2019, the City Council of Lithonia adopted a Historic Preservation Ordinance with the goal of stimulating and revitalizing the business district and historic neighborhoods. The ordinance creates a Historic Preservation Commission which is tasked with designating historic properties and districts, providing for Certificates of Appropriateness, and coordinating an appeals process, the repeal of conflicting ordinances, and other purposes.

The City is looking for a few people who may be interested in serving on the Commission Board. They would serve a maximum of two three-year terms. Requirements are that the person must live in the City of Lithonia and be a person who has demonstrated special interest, experience or education in history, architectural history, planning, archaeology or related professions.

If you would like more information or would like to be considered as a board member, please call the City Clerk at 770-482-8136 and submit your name. She will can send you a copy of the ordinance that details all the requirements.

Looking to the future while respecting the past!
