

Listing Summary

JOB TITLE: Code Enforcement Officer- Part-time

Salary: \$17 hourly

JOB SUMMARY: This position is responsible for the administration of the city's zoning ordinance, subdivision regulations and code of ordinances and assists in enforcement of Occupational Tax Ordinance. Responds to inquiries from the public and government officials; performs special inspection tasks. Incumbent works alone and makes independent decisions requiring technical and administrative discretion and judgement. Performs other related duties as assigned, in support of customer needs and organizational objectives. **This position is for Code Enforcement only.**

MAJOR DUTIES:

- * Ensures that land uses are located in proper zones and in compliance with zoning ordinances.
- * Inspects all signs for compliance with construction, location, and setback requirements.
- * Maintains records of inspections made and prepares reports; informs property owners, contractors, builders, and supervisors of violations of code requirements; investigates complaints.
- * Receives and responds to inquiries from the public and builders in regard to regulations and practices; assists in developing inspection schedules; participates in meetings and conferences.
- * Resolves complex and sensitive customer service issues, either personally, by telephone or in writing. Maintains records and documents of customer service issues and resolutions.
- * Prepares and presents legal testimony.
- * Performs specialized inspection tasks specific to area of assignment.
- * Performs other related duties as assigned.

KNOWLEDGE REQUIRED BY THE POSITION:

- * Knowledge of the principles and practices of planning, zoning, land use, and inspection.
- * Knowledge of the city's zoning ordinance, subdivision regulations and code of ordinances.
- * Skill in the use of a personal computer and word processing, spreadsheet, and database software packages.
- * Skill in preparing and delivering public presentations.
- * Skill in reviewing site plans and subdivision plats (preferred not required)
- * Skill in public and interpersonal relations.
- * Skill in the use of such office equipment as a calculator, copier, facsimile machine, and telephone.
 - * Thorough knowledge of uniform building codes and electrical codes, plumbing codes, mechanical codes, general construction codes, and a thorough knowledge of carpentry; Knowledge of local and State codes and ordinances applicable to building, plumbing, electrical, and mechanical building standards such as IPM and IUWC.
- * Considerable knowledge of methods and techniques of construction in the areas of electrical work, carpentry work, cement work, or plumbing, and skill in applying knowledge of national uniform building codes, zoning, and land use applications.
- * Knowledge of terminology, tools, and materials associated with building construction, plumbing, electricity, heating, air conditioning, sanitation and/or other areas related to specific areas of functional responsibility.
 - * Ability to read blueprints and drawings.
 - * Ability to maintain accurate records, to prepare clear, and concise reports, and to make effective presentations.
 - * Ability to establish and maintain productive working relationships with others.
 - * Ability to prepare clear, correct, and concise legal testimony regarding violators.
 - * Ability to communicate effectively in writing and orally.
- * Ability to work independently without close supervision, as well as with a team, and to follow through to task completion.

* Ability to explain, interpret, and enforce codes and regulations firmly, tactfully, and impartially.

Willingness and ability to demonstrate commitment to the job, team and organization.

GUIDELINES: Guidelines include relevant state and federal laws, the city zoning and other ordinances, and building codes. These guidelines require judgment, selection, and interpretation in application.

COMPLEXITY: The work consists of varied planning duties. The need to be sensitive to political factors and legal issues contribute to the complexity of the work.

PERSONAL CONTACTS: Contacts are typically with co-workers, other city employees, attorneys, real estate developers, engineers, architects, city officials and department heads, business representatives, and building inspectors.

PURPOSE OF CONTACTS: Contacts are typically to give and exchange information, resolve problems, provide services, and negotiate and settle matters.

PHYSICAL DEMANDS: Physical and mental ability to perform the essential tasks of the job including climbing, bending, kneeling, stooping, crouching, crawling, standing, walking, speaking, hearing, and the ability to lift up to 50 pounds; ability to work at moderate heights and in close spaces; visual acuity sufficient to notice building and electrical defects; ability to work outdoors in all weather conditions; ability to compare data and characteristics, to compile, analyze, and synthesize information.

MINIMUM QUALIFICATIONS:

* Knowledge and level of competency to effectively perform the job duty as the code enforcement officer.

* Experience sufficient to thoroughly understand the work of subordinate positions to be able to answer questions and resolve problems, usually associated with one to three years' experience or service.

* Possession of or ability to readily obtain a valid driver's license issued by the State of Georgia for the type of vehicle or equipment operated.

* This position prefers a Level 1 certification through the Georgia Association of Code Enforcement (GACE).
