Georgia Cities Week

“Connecting for Success”

Dear Neighbor and Resident of The City of Lithonia,

Join Us on Saturday, April 30, 2022 to “Mingle on Main Street” with Mayor and Council.

City Government is truly government of, by and for the people who are making the decisions about our community. We are in this together, and we want our city to thrive.

We recognize that throughout our lifetimes, the average person will have more direct contact with local governments than with state or federal governments. Because of this, we feel a responsibility to ensure that the public knows how the city operates and feels connected to their city government.

We hope to heighten your awareness of city government’s role in enhancing the quality of life within our community in the City of Lithonia.

Festivities will be located in the heart of Downtown Lithonia on Main Street.
